

**TEMPORARY ADDENDUM
TO
FALMOUTH SUNBEAM
CLASS RULES
2021-2022**

Section B - Boat Eligibility

For 2021 eligibility for *racing* is extended to include Solent GRP **boats** that comply with Solent **class rules** except that kitty gear shall be used in place of spinnakers and that sitting-out and solid kickers that support the boom while sailing are not permitted.

These **boats** will be eligible for all prizes.

In the event of a conflict between **class rules** and this addendum then the addendum shall take precedence.

This addendum will self-expire at the end of 2021.
